Industries and Commerce Secretary to release report tomorrow

The city-based Institute of Small Enterprises and Development (ISED) will bring out a report on Kerala's enterprise development as part of the china jubilee celebration of the ISED' Small Enterprise Observatory. The report will be released on Tuesday by Sanjay Kaul, Secretary, Department of Industries and Commerce. The report has been sponsored by the Kerala State Industries and Commerce Department and the Kerala State Industrial Development Corporation, says a pressnote.

The report makes a stock-taking of the State's achievements and concerns, especially against the rather difficult picture of the its economy, said ISED director P.M. Mathew.
