

## ISED Survey on Small Enterprise Communication

### **ISED PUBLICATIONS: READERS' OPINION SURVEY**

Dear friend/Colleague,

Welcome to the world of ISED Publications. The 'ISED Publications' has been a medium that bring us together for the last many years. The facilitator for this camaraderie has been the ISED Small Enterprise Observatory, the knowledge platform of ISED, that is celebrating its 'China Jubilee' this year. At this glorious occasion, we need your rich feedback and patronage, in order to review our track, seek advice from you, and to move ahead vigorously. Would you kindly spare a few minutes from your otherwise busy schedule, and fill up this attached schedule...?
