

MSMER 27th Round gets Kick- started

Under the India MSME Communication Programme (IMCP), the Institute has kick-started the Twenty-seventh Round of the 'India MSME Report (MSMER) Series' on December 1, 2023. The Project activities include, constitution of International and National Focus Groups, Internal Consultative Meetings, desk operations, field consultations with top executives of policy bodies, financial institutions, and industry, and thematic field research. India MSME Report 2024 will be released on International MSME Day 2024(June 27).

Back volumes of the Series, since 1997, are available with the Publications Division of the Institute.
