

## **Internship Opportunities-Now Open**

First Quarter (January-March) of the International Internship Programme in Sustainable Development (IIPSD), a world-class programme of the Institute, for the year 2024, is open now. The Programme is meant to provide theoretical and practical exposure on Sustainable Development to young research aspirants. Candidates having strong research interest alone may apply. Full details are available from the ISED Website, [www.isedonline .org](http://www.isedonline.org)
