

ISED International Internship Programme (IIPSD): Quarter II, 2026

Empowering the next generation of leaders in **Sustainable Development, Entrepreneurship, and Economic Governance.**

Overview

The Institute of Small Enterprises and Development (ISED) invites applications for its prestigious **IIPSD Internship Programme (April-June 2026)**. Aligned with United Nations and Government of India (PMIS 2024) guidelines, this programme bridges the gap between academic knowledge and real-world sustainable practice.

Key Dates

- **Applications Open:** March 1, 2026
- **Programme Duration:** Quarter I (April-June 2026)

Internship Categories

Selection is competitive and merit-based. We offer diverse formats to suit various needs:

- **Credit & Paid Internships** (Merit-based)
- **Remote & Part-time Options**
- **Unpaid & Volunteer Placements**

Our Social Responsibility

We believe knowledge should be a community resource. This programme serves as a vital outreach initiative, sharing ISED's rich research and practice-based insights to foster social growth and professional excellence.

Support a Legacy: Sponsorship & Memorial Funds

ISED invites donors and educational institutions to sponsor internships through **Memorial Funds**. These charitable funds honour the legacy of loved ones by investing in the future of young professionals.

How to Apply or Partner

For enquiries regarding applications, institutional partnerships, or donor opportunities:
