

ISED submits Pre-Budget Memorandum to Government of India

Institute of Small Enterprises and Development submitted its Pre-Budget Memorandum for the year 2026-27, to the Union Minister for finance, Ms. Nirupama Rao. The document was prepared at the ISED Small Enterprise Observatory. Based on the Institute’s research, and experience with the RBI, NITI Aayog and the respective Ministries, especially MoMSME, the observations herein carry some of the major imperatives in policy and practice relating to enterprise development and entrepreneurship promotion in the country. The Report truly reflects the latest global thinking on innovation, as it comes through Economic science Nobel 2025, SDG Goals, attempts of NITI Aayog to translate them into its national policy framework, as also the BRAP initiatives by the Ministry of Commerce & Industry.
