

Much about Small things...

In the rush of national and international debates, "small things" are often drowned out. Yet, these are the very elements that define the mandate and agenda of the **Institute of Small Enterprises and Development**.

We are pleased to introduce the series, "**Much about Small Things: ISED P.M. Mathew Speak.**" While this series draws on extensive research from the Institute and its specialized Knowledge Centres, the views expressed are strictly those of the author and do not necessarily reflect the official position of ISED.
